Office Policy – Insurance Assignment

I understand and agree that health and accident insurance policies are an arrangement between an insurance carrier and myself.

I understand that the Doctor's Office will prepare any necessary reports and forms to assist me in making collection from the insurance company and that any amount authorized to be paid directly to the Doctor's Office will be credited to my account on receipt.

This office DOES NOT promise that an insurance company will pay, nor does the office promise that an insurance company will or should pay the fees as charged

The office will not enter into a dispute with an insurance company over reimbursements or the amount of reimbursement. This is the patient's obligation.

I clearly understand and agree that all services rendered me are charged directly to me and that I am personally responsible for payment.

The patient also agrees that he/she is responsible for all bills incurred at this office

.All deductible amounts must be paid prior to insurance submittals

The patient must stay current with their percentage of responsibility (e.g. insurance pays 80% of the bill, and the patient pays 20%). Bills must be paid each visit unless other arrangements have been made.

I also understand that if I suspend or terminate my care and treatment, any fees for professional services rendered will be immediately due and payable.

If the patient discontinues care for any reason other than discharge by the doctor-the bill is due and payable in full-immediately, regardless of any claims submitted.

If patient fails to keep regular appointments they will be discharged. The bill is then due and payable in full-immediately.

If I fail to keep an appointment I maybe charged a no show fee of \$10.00 per missed appointment.

It is understood and agreed the amount paid the Doctor for x-rays is for examination only and the x-ray negatives will remain the property of this office, being on file where they may be seen at any time while a patient at this office.

The Doctor will not be held responsible for any pre-existing medically diagnosed conditions nor for any medical diagnosis.

I hereby authorize the Doctor to examine and treat my conditions he deems appropriate through the use of Chiropractic Health Care, and I give authority for these procedures to be performed.

THERE CAN BE NO EXCEPTIONS TO THE ABOVE WE ARE ONLY TOO HAPPY TO ANSWER QUESTIONS YOU MAY HAVE.
